## *Healthy Tips from our Ingredients*

*brown rice* - Brown rice is a natural wholesome food rich in essential minerals such as manganese, iron, zinc, phosphorous, calcium, selenium, magnesium and potassium. Vitamin wealth includes vitamin B1, vitamin B2, vitamin B3, vitamin B6, folate, vitamin E and vitamin K. It is a source of protein and adds good amount of fiber content to our diet. Along with this, it is also a provider of health-supportive vital fatty acids.

*basil* - It's best when fresh, exuding a sweet, earthy aroma that indicates not only the promise of pleasantly pungent flavor, but an impressive list of nutrients. Vitamin K, essential for blood clotting, is one of them. ... Other vitamins and minerals in basil include iron, calcium, manganese, magnesium, vitamin C and potassium.

*ginger* - Ginger has a long history of use for relieving digestive problems such as nausea, loss of appetite, motion sickness and pain.

*lemongrass* - Lemongrass is a plant. The leaves and the oil are used to make medicine. Lemongrass is used for treating digestive tract spasms, stomachache, high blood pressure, convulsions, pain, vomiting, cough, achy joints, fever, the common cold, and exhaustion. It is also used to kill germs and as a mild astringent.
